

CPR Medal

Jerzy Floryan - nominated by the Canadian Society for Mechanical Engineering for the Canadian Pacific Railway Engineering Medal

Jerzy Floryan is a Professor in the Department of Mechanical and Materials Engineering at the University of Western Ontario. He has served the university with dignity and leadership throughout his career and was appointed Associate Dean, Academic with responsibility to promote Entrepreneurship. He was instrumental in launching an innovative dimension to engineering undergraduate programs that allowed students to complete a second degree from another faculty.

Jerzy Floryan est un universitaire qui s'est distingué par ses travaux en mécanique des fluides et en mathématiques appliquées. Il a apporté une importante contribution aux domaines de l'écoulement des couches limites, du contrôle de turbulence par modifications de surfaces, de la convection non-gravitationnelle, du déplacement des limites dans les systèmes d'écoulement, du refroidissement passif des composantes électroniques, de la dynamique des fluides numériques, du diagnostic de l'asthme, et dans bien d'autres domaines.

Jerzy is the recipient of many awards and tonight we are honoured to recognize his talents and contributions to the engineering community and to our technical societies.

Ladies and gentlemen, and Mr. President, as the Recipient of the Canadian Pacific Railway Engineering Medal, please welcome Jerzy Floryan.
