

Benefits offered to EIC Sustaining Members

The Engineering Institute of Canada (EIC) is a federation of twelve engineering societies to which more than 30,000 professionals belong.

Our Vision: *"Engineering for a prosperous, safe and sustainable Canada."
 "Le génie pour un Canada sûr, prospère et durable"*

Our Mission:

Develop and promote continuing education. Initiate and facilitate interdisciplinary activities and services. Lead member societies in defining and building the future of engineering. Advocate the values and benefits of engineering.

Our Main Objectives:

- Continuing Education & CEU Recognition
- Awards
- History & Archives
- Conferences
- Promoting Engineering as a Career
- Services to Member Societies
- Membership of engineering societies in the EIC

Organizations interested in supporting EIC's mission and objectives are invited to join its ranks of Sustaining Members. The annual fee is \$1000. In return, sustaining members enjoy the following benefits:

- Recognition at all EIC-sponsored events, including its Annual Awards Gala.
- Special SM Promo Code providing a 20% discount on all services offered on the www.engineeringcareer.ca job site (single/multiple job postings, résumé database access, packaged promotional deals, ads).
- Official-certificate declaring the organization to be an EIC Sustaining Member.
- Posting of Sustaining Member's logo on EIC's web site (with url link).
- Organizations that are also EIC-Recognized Providers of Continuing Education programs (CEUs) receive a 20% discount on their participation fees.

Contact: Guy Gosselin, EIC Executive Director | 613-796-4750 | ggosselin.eic@gmail.com
for special SM promo code and to learn more about Sustaining Member privileges.

Privacy Policy: *The EIC will not disclose any information regarding sustaining members beyond that which they supply for inclusion on the EIC web site.*
