

EIC Fellow

Sayed Ismail

Nominated by the Canadian Dam Association

Sayed Ismail is a Fellow of the CSCE. He has also been recognized throughout his career by the following awards: CDA Life Member and Peter Halliday for Meritorious Service, and the Association of Professional Engineers and Geoscientists of New Brunswick Life Member.

For his contributions to river hydraulics centered primarily on the St. John's River, recognized as a most comprehensive study of ice management, we now pay tribute to Sayed Ismail with this honor.

Ladies & gentlemen and Mr. President, please welcome Sayed Ismail as a Fellow of the Engineering Institute of Canada.
