

The Engineering Institute of Canada

2023 Award Citation

EIC Fellow

Anil K. Mehrotra

Nominated by the Canadian Society for Chemical Engineering

Dr. Anil K. Mehrotra received his B.E. (Honours) from the Birla Institute of Technology & Science (Pilani, India), with Gold Medal; his M.Eng. from the Asian Institute of Technology (Thailand); and his PhD from the University of Calgary. As a skilled administrator and team-builder, he has held several senior-level positions, including Interim Dean of the Schulich School of Engineering at the University of Calgary.

He was the (founding) Director of the Centre for Environmental Engineering Research & Education and served as the Academic Director of the Interdisciplinary Sustainable Energy Development graduate degree program. Dr. Mehrotra's research expertise includes properties of heavy crude oils and bitumens, heat-transfer approach for solid deposition from 'waxy' crude oils, and modeling of chemical processes. He has published 180+ refereed journal papers (his Google H-Index is 50).

Since 1981, he has taught several undergraduate/graduate courses and has supervised many graduate students. He has received numerous awards and recognitions, including the Jules Stachiewicz Medal from the CSChE in 2022. Dr. Mehrotra served a member of the Board of Examiners of APEGA for 16+ years.

He is a fellow of the CIC, Engineers Canada, and Geoscientists Canada. He served as the Secretary-Treasurer of the Shastri Indo-Canadian Institute. He is the current treasurer of the CSChE and is leading the CSChE 2023 Conference Organizing Committee.

Ladies and gentlemen, and Ms. President, please welcome Anil K. Mehrotra as a Fellow of the Engineering Institute of Canada.
